WELCOME

It is my pleasure to welcome you to the 140th Star of the North Meeting! The Scientific Session Committee, led by Dr. Renee Kinney, along with the MDA Staff put together a fabulous meeting that is truly a **Bridge to a Brighter Future.**

We have a huge variety of courses with almost 100 sessions available for Dentists and Team members including the Dental Team track and the New Dentist track. The educational portion of the meeting kicks off on Thursday morning and continues through Saturday. You will have the opportunity to gain knowledge from talented speakers in many arenas or practice hands on skills in one of our many workshops.

The easiest way to navigate the meeting and ensure you don't miss any of the offerings is to download the Star of the North app. It allows you to find your speaker, class times, and locations as well as access your course handouts. Remember to verify your CE by easily adding the course completion code right in the app. You can also use the app to enter to win prize drawings.

On Friday morning at 11:00 am don't miss our keynote speaker, Minnesota's own Jessie Diggins. She was an Olympic gold medal winner in the 2018 games and won a silver and a bronze medal in the 2022 Olympics. Bring your team to hear Jessie's story and hear how you can push further than you thought possible.

Be sure to set aside plenty of time to meander through the Exhibit Hall, open Thursday 10:00 am to 6:00 pm and Friday 9:00 am to 5:00 pm with a special Buyer's Happy Hour Thursday evening from 4:00 pm to 6:00 pm open to everyone. We have an incredible number of exhibitors with us this year. Take time to talk with the exhibitors in person and hold the latest and greatest products in your hands. Finally, find free CE in the Exhibit Hall at the CE Spot and Table Clinics.

Don't forget to enjoy each other's company. The camaraderie that is the Star of the North meeting is invaluable! Catch up with classmates, teammates, and colleagues in any of the many neighboring restaurants and head back to "The BIG Party" on Friday evening from 8:00 to 10:00 pm in the Roy Wilkins Auditorium. Once again back by popular demand...HAIRBALL!!

Welcome back to everyone! We couldn't be more excited to have you all with us this year! Thank you for helping to make the Star of the North Meeting the Upper Midwest's premier dental meeting.

REGISTRATION INFORMATION

Registration Hours

Thursday, April 27	7:00 am – 6:00 pm
Friday, April 28	6:30 am – 5:00 pm
Saturday, April 29	7:30 am – 2:00 pm

Photo identification is required for onsite registration. Please allow ample time to complete the registration process before your program is scheduled to begin.

MDA Member Dentists/Student Dentists: Current members of the Minnesota Dental Association will be admitted to the meeting without charge upon completion of the registration process. Appropriate fees for individual courses or activities will apply.

Non-MDA/ADA Member Dentists/Student Dentists: Non-MDA/ADA member dentists will be admitted to the meeting upon completion of a registration form and payment of an \$865 registration fee, which may be credited toward MDA active member dues if the dentist applies for membership in 2023. Pre-doctoral and post-doctoral dental students who are not members of the MDA will be admitted to the meeting upon completion of a registration form and payment of a \$30 fee, which may be applied toward MDA dues any time during 2023.

NO DENTIST OR STUDENT DENTIST MAY REGISTER IN ANY CATEGORY OTHER THAN MDA/ADA MEMBER OR NON-MEMBER.

Guests: Guests will be admitted to the meeting upon completion of a registration form and payment of a \$15 registration fee (children 18 and under are free). Appropriate fees for individual courses or activities will apply. "Guests" (category L) are non-dental attendees (family, friend, etc.) sponsored by a dentist registered at the 2023 Star of the North Meeting. Sponsors must verify that guests are not dentists or student dentists. If it is determined that a guest is a non-member dentist, the sponsor agrees to reimburse the Association for the appropriate registration fee.

Dental Team Members: All dental team members (dental assistants, hygienists, dental therapists, technicians, administrative personnel) will be admitted to the meeting upon completion of a registration form and payment of a \$55 registration fee. Appropriate fees for individual courses or activities will apply.

Only dentists and dental team members are eligible to earn CE and must therefore be registered in an appropriate registration category. Spouses, guests, children, and students are NOT eligible for continuing education.

Conference Photography Policy

The Minnesota Dental Association (MDA) reserves the right to use any photograph/video taken at any courses or events during the 140th Annual Star of the North Meeting without the express written permission of those included within the photograph/video. The MDA may use the photograph/video in publications or other media material produced including, but not limited to: brochures, invitations, postcards, and websites. Attendee names will not be published without a written release.

Non-Solicitation Policy

With the exception of exhibitors operating within their designated booth spaces, no attendee may solicit business from attendees and exhibitors or distribute materials of any kind on the exhibit floor or in any other Star of the North Meeting space. This space includes the lobby and meeting rooms of the Saint Paul RiverCentre. Attendees who violate this policy will be asked to leave the meeting.

Attending the Meeting with Children

Children under the age of 18 must be registered and must be accompanied by an adult at all times while at the Star of the North Meeting (registration is free for children under 18).

This conference is intended as a quality learning environment for dental professionals. As such, it is important to maintain a proper atmosphere conducive to learning to respect others who have paid for CE classes and expect limited disruptions. Therefore, NO children under the age of 16 will be allowed in lectures/workshops. If a child age 16-18 occupies a seat, then they must purchase a ticket for that program. If a child is disrupting the learning atmosphere of other attendees, the attendee and child will be asked to leave the room, and no refund will be given.

For the safety of your child and those visiting the Exhibit Hall, the Star of the North Meeting recommends that children not be taken in to the Exhibit Hall in a stroller. If you do use a stroller in the convention center, you do so at your own risk. Neither the Minnesota Dental Association nor the Saint Paul RiverCentre will be responsible for accidents that occur due to the use of strollers.

GENERAL CONVENTION INFORMATION

Cellular Phones/Pagers

Out of respect for our speakers and attendees, the use of cellular phones and pagers is discouraged in program rooms. Please silence or deactivate phones on the meeting room level of the convention center.

Smoking Policy/Facility Policies

Smoking/Vaping are NOT permitted in any portion of the RiverCentre complex. The use of hover boards and drones is also prohibited.

Course Evaluations

Course evaluation information will be collected during the CE verification process by answering four quick questions. Participant feedback helps keep the scientific program relevant to and current with attendees' needs. We appreciate your participation.

Course Handouts

In an effort to reduce paper and be more eco-friendly, the Star of the North Meeting no longer provides printed course handouts. Attendees who pre-registered received an email with a link to preview and download their specific handouts. Handouts are also available on the registration website. You will be required to use your registration login/password and then can access all your handouts.

Have Questions?

Scientific Session Committee members are onsite in black suits with a SON crest on their lapel. They will be monitoring the meeting room hallways and the Exhibit Hall. SSC members are available to answer any questions you have regarding directions or general Star of the North information. MDA staff members are available in the Information Booth and in Registration located in Kellogg Lobby.

STAR OF THE NORTH SAFETY PROTOCOLS

CONTINUING EDUCATION (CE)

GENERAL ATTENDANCE CREDITS

Minnesota dentists, hygienists, dental therapists and dental assistants will earn 3 elective CE credits for attending the Minnesota Dental Association's multi-day Star of the North Meeting. Many refer to these credits as those earned for "walking the show floor." These credits will be logged automatically when you scan your badge at a CE Verification station or online.

COURSE CREDITS

Attendees at educational sessions may also earn Fundamental or Elective credit as indicated in the course program descriptions. Fundamental CE will also be available in the following subject areas:

- Recordkeeping
- Medical Emergencies
- Ethics
- Diagnosis and Treatment Planning
- Patient Communication

MINNESOTA BOARD OF DENTISTRY

If you have questions about licensing or continuing education credits, contact the Minnesota Board of Dentistry at www.dentalboard.state.mn.us.

ADA CERP

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The Minnesota Dental Association is an ADA CERP Recognized Provider.

NON-ENDORSEMENT

The Star of the North Meeting is an official activity of the Minnesota Dental Association. Speakers are selected based on their expertise and quality of presentation. Participation of speakers at the Star of the North Meeting neither implies nor reflects endorsement by the Minnesota Dental Association. All seminars are offered as information only and not as financial, accounting, legal, or other professional advice. Persons attending seminars or reviewing handout materials need to consult their own professional advisors for advice. Examples used in programs should not be applied directly to any particular dental office.

ACADEMY OF GENERAL DENTISTRY

The formal continuing education programs offered by ADA CERP Recognized Providers are accepted by the AGD for Fellowship/Mastership credit.

OUT-OF-STATE ATTENDEES

If you are licensed in another state, province, or country, you should check with your licensing entity to determine CE eligibility for particular programs. We also recommend that you generate a CE Verification Transcript and keep it for your records as proof of attendance.

ADA CE TRACKING USERS

The MDA will upload verified 2023 Star of the North attendance information into the ADA CE Track system beginning June 1, 2023. Be sure to provide your MN License/Registration Number when you register and to verify your meeting credits by May 31, 2023.

CONTINUING EDUCATION (CE)

TIPS FOR RECORDING YOUR CE

The Star of the North CE Verification system helps you to keep track of your professional development/CE activities at the Star of the North Meeting. Please take note of the following helpful hints to make this process as easy and effortless as possible:

- **License Numbers Matter** – when you register, include your individual state license number to ensure CE credits are granted.
- **Write down the Completion Code** – codes are announced at the conclusion of every CE-eligible session. Space is provided in this onsite program book to record the codes (see right). Partial credit cannot be granted, and if you leave a program before the code is announced, you will forfeit any CE credits.
- **Verify Your Credits** – attendees **MUST** verify attendance and CE credits as well as take a brief survey for each course attended. For your convenience, you can wait until you have attended all of your courses to verify your credits. Attendees can verify credits onsite at a CE Verification area, by using the meeting app, or online for up to six months after the meeting.

Onsite: Visit a CE Verification Station located in the lobby OR enter your completion codes through the meeting app and stop by a CE Express Station.

Online: Go to star.mndental.org and click the “Verify CE” button.

Thank you to our CE Verification sponsor

WINTHROP & WEINSTINE

CONTINUING EDUCATION (CE)

Every attendee who earns CE credits to meet professional development requirements should print a copy of their transcript. File the transcript in your professional development portfolio as proof of your continuing education activities at the Star of the North Meeting. According to Minnesota Board of Dentistry rules, it is the responsibility of the individual dental professional to preserve a record of their CE activities.

2023 MDA GUEST OF HONOR

DR. TERESA FONG

As an outstanding leader and a credit to the profession of dentistry and to her community, Dr. Teresa Fong has been chosen as the MDA's 2023 Guest of Honor.

Dr. Fong earned her Doctor of Dental Surgery degree from the University of Tennessee College of Dentistry and her pediatric specialty certificate from the University of Kentucky College of Dentistry. For more than 30 years she practiced pediatric dentistry in the Twin Cities metro area with Metropolitan Pediatric Dental Associates, Ltd, while committing endless volunteer hours toward improving access to dental care for underserved children.

Actively involved in organized dentistry throughout her entire career, Dr. Fong served on numerous committees at the state and district levels. She was on the executive council of the Minneapolis District Dental Society for many years and served as its president in 2003-2004. At the Minnesota Dental Association, she served as chair of the Dental Education Committee and the former Children's Dental Health Committee, where she became the champion of the Dental Home Initiative to ensure that Head Start children received not only the federally required dental exam but were also able to find dental homes for ongoing care. She recently completed a six-year term as Minneapolis District's trustee to the MDA Board of Trustees, and currently serves on the MDA's Scientific Session Committee.

Dr. Fong is very involved at the University of Minnesota School of Dentistry, currently serving as an adjunct clinical faculty member in the Division of Pediatric Dentistry three days each week. She serves as the Predoctoral Clinic Director and enjoys working with dental health care students-our future generation of dentists, dental therapists, and dental hygienists! She also serves as the pediatric dental specialist for the new Health Partners AEGD residency program. She was co-chair of the fundraising effort for the new University of Minnesota Pediatric Dental Residency Clinic, which provides opportunities for dental and medical collaboration with the University of Minnesota Children's Hospital. Her passion for this project is one more example of her dedication and commitment to serving her profession and her community.

Dr. Fong has been an active volunteer at the Hope Dental Clinic, and for Give Kids A Smile Day at Sharing and Caring Hands, and also with the student-led GKAS at the University of Minnesota, both in Minneapolis. She has also been very active at Oak Grove Church in Golden Valley. She co-leads a group of elementary-age girls; memorizing Bible verses, developing a relationship with God, strengthening their faith, and building hope for their future. She serves as Secretary/Treasurer for the American Academy of Pediatric Dentistry Foundation which provides funding to dental clinic throughout the United States working to provide access to dental care for vulnerable children across our nation. Teresa also serves on the Board of GIVING WoMN, a local group of philanthropic women who through pooled giving, support non-profit organizations working to improve the lives of people and communities most in need of assistance.

Dr. Fong was the recipient of the MDA's President's Award in 2022 and Humanitarian Service Award in 2015.

It is with great respect and appreciation that the MDA honors Dr. Teresa Fong as the 2023 Guest of Honor.

2023 NEW DENTIST LEADERSHIP AWARD

DR. KIRBY M. JOHNSON

Graduating from the University of Minnesota School of Dentistry in 2014, Dr. Kirby M. Johnson has held positions at each level of the tripartite, beginning in dental school and continuing throughout his career as a new dentist.

While still in dental school, Dr. Johnson was actively involved in ASDA and was a strong advocate of organized dentistry. Able to effectively encourage his fellow dental students to join in ASDA membership, that enthusiasm carried over into his years as a West Central District Dental Society (WCDDS) leader, where he was instrumental in recruiting new dentists to serve on the WCDDS executive council and where he has served as district president.

Dr. Johnson served on the MDA's former New Dentist and Membership Committee from 2012 until 2015. When the New Dentist and Membership Committee split into two separate entities, he stayed on until 2020 as a member of the Membership Committee. He also served as chair of the New Dentist Committee from 2018-2020, working to encourage each committee member to come up with new ideas that would enhance the value the MDA provides to its new dentist members. In addition, Dr. Johnson served as Student District Trustee to the MDA Board of Trustees in 2013-2014.

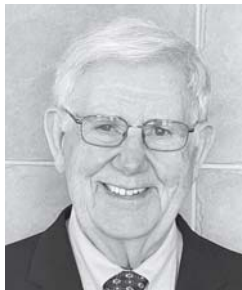

Dr. Johnson oversaw the planning of several events for new dentists, including a social at the Star of the North, the WCDDS Molar and Mulligan Scramble golf outing, a graduate student social event, and a new dentist night at a Saint Paul Saints baseball game. He represented the WCDDS as a delegate at the MDA House of Delegates from 2015-2021, serving as chair of the reference in 2020. He also represented the MDA as an alternate delegate to the ADA House of Delegates, a position he held in 2016 and 2017.

Since moving to Spicer, Minnesota in 2015, Dr. Johnson has quietly enriched his community, serving as a member of the Spicer Lions Club, as a Sunday School teacher at his church, and, since 2020, as a volunteer mini mite coach with the River Lakes Hockey Association.

Additionally, Dr. Johnson has participated in several dental-related volunteer activities, including every annual Give Kids a Smile event since 2015, four Minnesota Mission of Mercy events, and, since 2019, as a Donated Dental Services provider with the Dental Lifeline Network's Donated Dental Services (DDS) program.

The Minnesota Dental Association is pleased to honor Dr. Kirby Johnson with the 2023 New Dentist Leadership Award.

2023 HUMANITARIAN SERVICE AWARD

DR. JEROME APPELDOORN

Dr. Jerome "Jerry" Appeldoorn earned his Doctor of Dental Surgery degree in 1969 from the University of Minnesota School of Dentistry. During his 50-plus years of dentistry, his compassion and care for the underserved has led to many individuals receiving dental care to which they normally would not have access.

Dr. Appeldoorn has been a generous volunteer of his time and talents, providing humanitarian care not just locally, but also abroad. His gentle and humble nature has been extremely valuable, too, in providing mentorship to pre-dental and dental students through his efforts at Saint Olaf College and Carleton College, and as a clinical assistant professor for 14 years at the University of Minnesota School of Dentistry. In addition, he served as an officer in the US Air Force Dental Corps.

Along with several professors at Saint Olaf, Dr. Appeldoorn helped to develop and execute an annual medical/dental mission experience to several Peru orphanages. For over 10 years, with his guidance, this study-abroad program was one of the most popular for pre-dental students at that college.

More recently, Dr. Appeldoorn has been instrumental in initiating and volunteering in a program for free local dental care through Health Finders, a local non-profit health program in Rice County. The dental arm of Health Finders provides relief for Rice County patients who have no other access to dental treatment. Dr. Appeldoorn has served as their lead volunteer dentist.

An active member of the ADA, MDA, and the Southeastern District Dental Society, the latter for which he is a past president, Dr. Appeldoorn has also been a member (and a past president) of the Northfield Rotary Club, a member of his local church council and choir, and a board member of the Northfield Community Action Center.

The MDA is honored to present Dr. Jerome Appeldoorn with the 2023 Humanitarian Service Award.

2023 OUTSTANDING SERVICE AWARD

DR. HOWARD TAYLOR

Dr. Howard Taylor was raised in the northeastern area of Minneapolis and initially practiced in that neighborhood before establishing a practice in the Roseville area. His post-graduate training was in advanced restorative skills that served his patients well for 46 years.

Graduating from the University of Minnesota School of Dentistry in 1971, Dr. Taylor was initially involved with the Minneapolis District Dental Society and soon transferred to the Saint Paul District Dental Society (SPDDS) after opening his Roseville office. He served SPDDS as president and also chaired several committees and study clubs including the Minnesota Academy for Gnathological Research and the SPDDS Speakers' Bureau. Service has been a core life value since his first job after high school with the YMCA. The Minnesota Mission of Mercy and his faith community have been constant and regular areas of commitment.

Elected in 2011 as the MDA's Speaker of the House, Dr. Taylor enthusiastically took on his new assignment and was involved with the MDA staff in making regular reviews of the House of Delegates process to keep the HOD relevant and current. In his role of Speaker, he used his knowledge in parliamentary procedure to teach and train MDA and district leadership in the use of parliamentary procedure in an effort to make meetings more productive and efficient while ensuring fairness to all participants.

Dr. Taylor was awarded the MDA President's Award in 2014. In accepting that honor, he recounted how his own involvement in organized dentistry came via an invitation by another MDA member dentist. He encouraged others to not only remain involved in organized dentistry, but to invite and encourage others to participate in the process of maintaining a strong profession.

A dedicated leader and coach, Dr. Taylor continuously reached out to district leadership and members to inspire greater engagement in the governance process. He remains active on the Constitution, Bylaws and Ethics and Resolution Review Committees.

Retiring from dentistry in 2016, Dr. Taylor and his wife Cherry purchased a home in Florida where he currently serves on his Homeowners Association Board.

The MDA congratulates Dr. Howard Taylor on his selection as the 2023 Outstanding Service Award recipient.

2022 PRESIDENT'S AWARD

DR. DOUGLAS R. WILLIAMS

Each year the current MDA President has the distinct honor of choosing the one member whom he or she believes stands out amongst all others. Always a challenging decision to make, the president nevertheless carefully considers the various services each member has provided to the association and to the profession, and chooses accordingly. Dr. Amber Cziok has announced her decision to honor Dr. Douglas R. Williams with her President's Award.

Dr. Cziok has this to say about her decision:

This year I chose to honor Dr. Doug Williams with the President's Award. Dr. Williams is a recognizable face to many as he served as Treasurer of the MDA for six years while I served on the MDA Board of Trustees and ascended the executive chairs. As many of us run private practices or the financials of our households, we understand the importance of knowing the details of our financial standings and investments and managing the income/debt ratios. The MDA treasurer is an often overlooked position that requires extensive knowledge of the financials of an organization that you individually have very little power to control or adjust. Although some may find this mundane or burdensome, Doug chose to serve his organization with diligence and precision and many good anecdotal comparisons.

Dr. Williams is a leader, a retired dentist, a man who cherishes his family, a storyteller, a mentor, and a friend. I could not let Dr. Williams fade away from his leadership role at the Minnesota Dental Association without recognition and presentation of an award for his tremendous service.

Dr. Williams graduated from the University of Minnesota School of Dentistry in 1983. Since that time, he has been a member of the ADA, the MDA, and the Northwestern District Dental Society (NWDDS), serving as NWDDS' 2010-2011 president. He has held leadership positions within North Country Health Services, the Minnesota Hospital Association, and his faith community. In addition to being the MDA treasurer for six years, he has served on the MDA's Legislative Affairs, Peer Review, and Affinity Products Committees, and is a past MDA delegate to the ADA's annual meeting.

The MDA congratulates Dr. Doug Williams on his selection as the 2022 President's Award recipient.

CE SPOT – THURSDAY

Thursday, April 27
10:30 am – 2:00 pm

CE Spot are 30-minute presentations given by our valued exhibitor partners. Presentations are open to all, and free, but seating is limited! So grab a seat and earn from free CE!

IN THE EXHIBIT HALL

CS2301 Encouraging Missions, Transforming Lives, Especially Yours!

This presentation is not eligible for CE Credits

Drs. Robert and Diane Meyer – Christian Dental Society
10:30 am – 11:00 am

Capture the zeal for altruistic dental endeavors through lively, inspiring, true accounts and pictures from over 40 countries. Discover the documented outpouring of benefits obtained from humanitarian travel from doctoral research published in the Journal of the American Dental Association in Dec. 2020. This presentation will feature fascinating stories, with pictures, illustrating the holistic outcomes gained in the emotional, intellectual, physical, moral, and social dimensions.

CS2302 Oral Cancer and Dysplasia: What Dental Providers Need To Know

0.5 Fundamental CEs

Dr. Deepak Kademani – Minnesota Oral and Facial Surgery
11:15 am – 11:45 am

The survivability of head and neck cancer is greatly impacted by early diagnosis and treatment. Dentists and hygienists are on the front-lines, and critical in identifying oral lesions. This presentation will focus on the ability to successfully recognize, how to manage, and when to refer oral lesions identified in your clinic.

CE SPOT – THURSDAY

Thursday, April 27
10:30 am – 2:00 pm

CS2303 Build a Fortress of Protection For Your Assets, Your License, Your Estate, and Your Money

0.5 Elective CEs

Joshua Johnson – The Fortune Law Firm

12:00 pm – 12:30 pm

We build a personal Fortress of Protection for each of our clients against threats to them and their practice. These threats include trial lawyers, the NPDB, the IRS and Probate Court. At our training, we will teach you the strategies and structures that will protect your business and personal life. You will also learn how IRS backed tax savings strategies will pay for everything — so your Fortress of Protection ends up costing you nothing.

CS2304 Hand Piece Maintenance: Tips & Tricks

0.5 Fundamental CEs

Rob Davis – Renstrom Dental Studio, Inc.

12:45 pm – 1:15 pm

Rob Davis is experienced in medical and dental handpiece repairs. During this presentation he will give tips and tricks on how to maintain your handpieces properly, and demonstrate how to complete minor repairs.

CS2305 QuickBooks Online Essentials for Dental Practices

0.5 Elective CEs

Jonathan Jay - Baker Tilly US, LLP

1:30 pm – 2:00 pm

This presentation is a basic overview of the features in QuickBooks Online, and how best to configure and utilize the software to capture accurate, meaningful and reliable accounting for dental practices. We will cover core functionalities, best-practice suggestions (automatic bank-feeds, monthly reconciliation), tips to avoid common mistakes, as well as an overview of the reporting functionality, including the reports doctors should be reviewing on a consistent basis.

CS2306 Three Mistakes Every Dentist Should Avoid with their Student Loans

0.5 Elective CEs

Dr. Michael Jerkins – Panacea Financial

9:45 am – 10:15 am

Student loans weigh on many of us throughout all of our financial and life decisions post-training. Learn from a fellow doctor and national speaker on student loans, Michael Jerkins, on how doctors can optimally handle their student loans. This includes how your repayment plans can affect home or practice ownership, as well as the latest on legislative updates to student loan repayment options.

CS2307 Immediate Implant Placement Into Post-Extraction Socket

0.5 Fundamental CEs

Dr. Jan Bublik – Restorative Driven Implants

10:30 am – 11:00 am

Immediate implant placement is becoming treatment of choice for highly esthetic anterior cases in selected patients. We will discuss advantages and disadvantages of such treatment modality, as well as an indication and contraindication of immediate placement in anterior, premolar, and molar cases. Utilization of 3D planning and placement of an implant will be discussed along with immediate restoration in selected cases.

0.5 Elective CEs

Gerry Fornwald – Winthrop & Weinstine, P.A.

11:15 am – 11:45 am

Whether you are planning on growing your practice, selling your practice, or just keeping things as they are, unforeseen legal hurdles can disrupt your plans, and your practice, on a moment's notice. Dental Law attorney Gerry Fornwald, along with the Winthrop & Weinstine team, will share their top 10 legal tips to keep your practice happy and healthy in 2023 and beyond.

CS2309 The Importance of HPV Vaccine Advocacy in the Dental Office

0.5 Fundamental CEs

Dr. Eileen Crespo – Delta Dental of Minnesota

12:00 pm – 12:30 pm

The majority of head and neck cancers are caused by HPV. Learn about the role of dental providers in educating patients about the importance of the HPV vaccine. Dr. Eileen Crespo is the Vice President of Medical Services at Delta Dental of Minnesota and has been a practicing pediatrician for over 20 years.

CS2310 Build a Fortress of Protection For Your Assets, Your License, Your Estate, and Your Money

0.5 Elective CEs

Joshua Johnson – The Fortune Law Firm

12:45 pm – 1:15 pm

We build a personal Fortress of Protection for each of our clients against threats to them and their practice. These threats include trial lawyers, the NPDB, the IRS and Probate Court. At our training, we will teach you the strategies and structures that will protect your business and personal life. You will also learn how IRS backed tax savings strategies will pay for everything — so your Fortress of Protection ends up costing you nothing.

CS2311 Understanding Your Transition Into or Out Of Your Practice

0.5 Elective CEs

Loren Swanson – AFTCO Transition Consultants

1:30 pm – 2:00 pm

There are many factors to be considered when transitioning into or out of your practice. The factors revolve around legalities, accounting, retirement, and the right thing to do for your life. This is a practical seminar that will provide the attendees with a host of guidelines helping them learn what to look for.

THE BIG PARTY!

Are you ready to ROCK?? A band puts on a concert — Hairball puts on an event! Hairball is a Rock & Roll experience you won't soon forget. Lights, sound, smoke, fire, and screaming hordes of avid fans! Vocalists lead the band through a two-hour, mind-blowing, and drop-dead accurate homage to some of the biggest arena acts in the world. Van Halen, KISS, Mötley Crüe, Queen, Journey, and Aerosmith are but a few of the acts fans will see brought to life. The Hairball stage becomes an entirely new rock concert before your eyes countless times throughout the night.

Your meeting badge will be your entry ticket. All guests/spouses must be registered attendees of the meeting and have a meeting badge to attend this event.

The first 500 people to walk through the door wearing a classic rock concert t-shirt will receive a **FREE** drink ticket! Doors open at 7:30 pm!

Dental Hygienists' Association

Calling ALL hygienists...please join us for our General Assembly!

Saturday, April 29
Saint Paul RiverCentre
9:00 am – 12:00 pm

General Assembly (GA) allows every member to vote on bylaws and policies. More than half of ADHA member states have switched from a House of Delegates (HOD) to General Assembly (GA) and we worked with Wisconsin and ADHA to implement a GA here in Minnesota. Our hope is to engage more members while reducing the amount of time for our annual business.

Star of the North Meeting
MINNESOTA DENTAL ASSOCIATION

VENTURE NORTH

April 25–27, 2024

ST. PAUL RIVERCENTRE

As Real As It Gets: From Bone To Nerve *The Cadaver Workshop*

The Minnesota Dental Association is excited to announce an innovative workshop coming to Star of the North in 2024. We welcome Dr. Homer Asadi to lead us in this three-day workshop. We will be joined on each day of the course by a specialist in that field.

Part One: CBCT and Dissection

Led by Dr. Lavasani

Part Two: Periodontics

Led by Dr. Grisdale

Part Three: Endodontics

Led by Dr. Tsatalis

This workshop may be taken as a series, by enrolling in all three days. Each day is also a stand-alone course and may be enrolled in separately.

MDA members will enjoy a special registration window with primary access to enroll, at a discounted price.

WATCH FOR REGISTRATION INFORMATION THIS SUMMER

A stylized illustration of a bridge, likely a suspension or arch bridge, with a large arch and supporting structure. The bridge is rendered in black and white with some grey shading. It spans across the bottom of the page.

BUYER'S HAPPY HOUR

Join us for our Buyer's Happy Hour — *A Time to Sip, Shop & Save!* Two hours dedicated to visiting with our exhibitors and learning more about the dental products and services available for your practice. **This event will be open to ALL attendees and includes complimentary beer/wine from 4:00 pm to 6:00 pm.** Check out the meeting app for special alerts as well as promotions and discounts that participating exhibitors are offering.

This is a perfect opportunity to have those in-depth discussions about products and services in a relaxed atmosphere and place your orders onsite. Be sure to download the meeting app to receive show special alerts.

MDA and exhibitor-sponsored prize drawings will occur throughout the evening, and prize winners will be listed on a prize board located near the information booth. Attendees will be eligible to win multiple prizes, including VISA gift cards or a \$500 merchandise certificate to spend at the booth of your favorite exhibitor.

SOCIAL HOUR IN THE EXHIBIT HALL

Friday, April 28

3:30 pm – 5:00 pm

Star of the North Exhibitors invite you to join them in the Exhibit Hall for a social hour! Visit the Exhibit Hall and enjoy snacks and drinks courtesy of our valued exhibitors. Refreshments will be spread throughout the Exhibit Hall, in participating exhibitors' booths, so it is a great time to browse the products and services our exhibitors have to offer!

THURSDAY – BUYER’S HAPPY HOUR PRIZE DRAWINGS

Dentists who attend the Exhibit Hall Buyer’s Happy Hour on Thursday are eligible to win one of two \$500 VISA gift cards a \$500 Merchandise Voucher to be used on the exhibit floor this year! Simply scan the “Prize” QR code sign (using the meeting App). The QR code can be found in the lounge located at the end of aisles 500 and 600 in the Exhibit Hall. Enter between 4:00 pm – 5:45 pm, and you’ll be eligible for these and numerous other prizes generously donated by our sponsors and exhibitors.

Winners will be posted on the Prize Board.

Prize Board sponsored by:

FRIDAY – SOCIAL HOUR IN THE EXHIBIT HALL

Star of the North Exhibitors invite you to join them in the Exhibit Hall for a social hour from 3:30 pm to 5:00 pm! Visit the Exhibit Hall and enjoy snacks and drinks courtesy of our valued exhibitors. Refreshments will be spread throughout the Exhibit Hall, in participating exhibitors’ booths, so it is a great time to browse the products and services our exhibitors have to offer! See list of participating exhibitors on page 76.

MOBILE ESCAPE ROOM (AISLE 500)

See if you and five of your colleagues have the skills and aptitude to find the battle plans to save Gen. Montgomery’s platoon from defeat.

This event is sponsored in part by:

SNAP A PHOTO & SHARE YOUR EXPERIENCE

Visit the Star of the North/MDA photo area in the Rotunda. Snap a selfie or a pic of your entire office. Don’t forget to share and tag us on social media. #starofthenorth
