

At Colle McVoy, we are *Intrepid Thinkers* for the *Great Wide Open*.<sup>™</sup> We use creativity to build *enduring relationships* between forward-thinking *brands* and *people*.

This notebook is a 100-page blank canvas to be filled with ideas – smart, dumb, big, small and even half-baked. Notes, to-dos, random thoughts and even grocery lists are OK too.

After all, anything goes in the *Great Wide Open*.<sup>™</sup>
