

## Our Partner Promise

As your financing partner, Trio Capital is committed to supporting you and your customers with a mutual focus on building valued relationships and sustainable business success. We understand how important it is to have trust and transparency with your finance partner. Our approach is simple and rooted in the core tenants of our business:

### ***People and relationships drive our business and your success***

We have built a business based on our relationships. We are available to you, always, working to instill confidence in the products and solutions we provide to you and your customers.

### ***We provide stability for you and your customers***

Our infrastructure, product, and services offer flexibility to bring you the right offer at the right time to your customer so that your business is not interrupted and continues to grow.

### ***Integrity in everything we do***

We will approach every deal with urgency, dedication, reliability, and transparency. Our team members are principled and hardworking, seeking to do what is right for you and your customers.

### ***Our success is defined by your success***

We drive to build deep, lasting relationships that create a win-win situation for us, for you, and for your customers. We will diligently drive toward your definition of success, and only succeed when you do.

Our accomplishments are predicated on what we help you achieve. We are Putting the Relationship Back into Lending and invite you to share any comment or suggestion you may have. Our promise is to always hold our relationship and your success above all else. Your confidence in us will be earned and profoundly valued.
