PURCHASE ORDER - TERMS AND CONDITIONS

PURCHASE ORDER - TERMS AND CONDITIONS

1. Acceptance of Purchase Order. The IMAGINE Group, LLC including its parent company, subsidiaries, and/or affiliates (collectively, the “Buyer”) and the seller (“Vendor”) of the products (“Products”) and/or services (“Services”) described on this purchase order agree to the terms and conditions set forth in this purchase order (“Purchase Order”). This Purchase Order constitutes Buyer’s offer to Vendor and shall become a binding contract based on the terms and conditions set forth in this Purchase Order upon the earlier of (a) Vendor’s written and/or e-mail or other electronic confirmation; (b) Vendor’s shipment of Product to, or commencement of performance of Services on behalf of, Buyer as described in this Purchase Order; or (c) any other conduct by Vendor indicating its performance pursuant to this Purchase Order. This Purchase Order does not, and shall never, constitute an acceptance by Buyer of any offer, quotation, or proposal from Vendor except as specifically set forth in this Purchase Order. Vendor may not condition its acceptance of this Purchase Order on Buyer’s consent to any change or supplement to this Purchase Order. Buyer expressly objects to and rejects any attempt by Vendor to change or supplement this Purchase Order and Buyer’s objection shall not be waived by any acceptance of the Products or Services or any other conduct. This Purchase Order constitutes the entire agreement between the parties and supersedes all prior agreements. No term of this Purchase Order may be amended or waived except by a specific written confirmation signed by Buyer’s authorized representative and, accordingly, no inconsistent Vendor act or inconsistent or additional language in Vendor’s documentation shall have any legal effect. Unless specifically provided otherwise on this Purchase Order, Buyer shall have the right, at any time, to cancel or amend any Purchase Order and delivery of Products and/or Services upon written notice to Vendor. In the event of such cancellation, Vendor shall (and Vendor shall cause its suppliers or subcontractors to) immediately cease all Services and/or shipment of Products under this Purchase Order. Notwithstanding anything to the contrary contained herein, if Buyer and Vendor have entered into a Supplier Agreement and this Purchase Order is issued in connection therewith, the terms and conditions of this Purchase Order shall supplement and be in addition to the terms in the Supplier Agreement and to the extent that there are any conflicting terms, the Supplier Agreement shall govern.

2. Purchase Price, Other Costs, and Taxes. Vendor agrees to sell, transfer and deliver, or perform and provide, to Buyer the Products and/or Services for the total purchase price set forth on this Purchase Order. Unless specifically stated otherwise on this Purchase Order, all shipments of Products shall be the F.O.B Destination designated by Buyer. Vendor shall be responsible for all shipping costs, including without limitation, packing, shipping and freight insurance costs. Title and risk of loss shall pass to Buyer only upon Buyer’s receipt of Products at the F.O.B. Destination designated by Buyer. Vendor shall not invoice or attempt to collect payment from Buyer for the Products or Services at higher pricing or cost than stated in this Purchase Order. If price is omitted on this Purchase Order, except where this Purchase Order specifically indicates that it is given in acceptance of certain quoted prices, the Product and Services pricing will be at Vendor’s lowest prevailing market price as of the date of this Purchase Order. If Vendor reduces its price for Products or Services during the term of this Purchase Order, Vendor agrees to reduce the prices on this Purchase Order accordingly. All prices shall be in U. S. dollars. Upon Buyer’s request, Vendor shall provide, at

no cost to Buyer, samples of Products (including reasonable demonstrations of services, if applicable) and such samples shall not be returned to Vendor unless, at the time they are provided, Vendor specifically requests that the samples be returned and pays all expenses associated with such return. All applicable taxes shall be shown separately as individual line items on the invoice and consistent with the tax amounts set forth on the Purchase Order. Vendor warrants that the prices for the Products and Services under this Purchase Order are no less favorable than those currently extended to any other Vendor customer for the same or like articles in equal or less quantities as set forth on this Purchase Order.

3. Invoicing and Payment. Vendor shall invoice Buyer for the charges for the Products and Services as stated on this Purchase Order. Unless specifically stated otherwise on this Purchase Order, Buyer shall pay such invoice ninety (90) days from the later of (a) the date the invoice is received by Buyer or (b) the date of receipt of, or completion of, the Products or Services pursuant to this Purchase Order. Early payment or cash discount periods shall be measured from the later of (a) the date the invoice is received by Buyer or (b) the date of receipt of, or completion of, the Products or Services pursuant to this Purchase Order. Payment of a Purchase Order shall not constitute acceptance of the Products or Services provided by Vendor and is without prejudice to any and all claims that Buyer may have against Vendor. Vendor shall present invoices in single copy for each Product shipment or completion of Services, unless the parties agree otherwise in writing. Buyer shall be entitled to set off against any amounts it owes to Vendor, any damages incurred by Buyer as a result of Vendor's breach of this Purchase Order or any other amounts owed by Vendor to Buyer. Any charges that Vendor does not invoice to Buyer within twelve (12) months of the time such charges were incurred shall not be payable by Buyer.

4. Delivery and Acceptance. Vendor shall make shipment of the Products and shall perform the Services specified on this Purchase Order (as the same may be amended by Buyer) at the times indicated by Buyer. Vendor shall package all Products in a manner that provides adequate protection of the Products during shipping, handling, and delivery to Buyer's designated receiving area. Buyer shall have a reasonable opportunity after delivery to inspect the Products and shall not be deemed to have accepted any Products upon completion of its inspection. Upon rejection or revocation of acceptance of any Products or Services, Vendor shall promptly replace or correct any unsatisfactory Products or Services at Vendor's sole expense, including without limitation, all shipping costs and any costs associated with reperformance of services or Buyer may terminate this Purchase Order in accordance with Section 6. Buyer's count of Products within a delivery will be accepted as final and conclusive on all shipments not accompanied by a packing ticket. All Vendor documents resulting from this Purchase Order, including, but not limited to, invoices, bills of lading, and packing slips, shall reference the appropriate Purchase Order number.

provision of Products or Services under this Purchase Order. As between Vendor and Buyer, Vendor shall be solely responsible for any Products provided or Services completed by such subcontractors to the same extent as if they were being provided or completed directly by Vendor. All warranties offered by Vendor, its subcontractors, or any Vendor manufacturer or supplier of Products shall extend to Buyer and Buyer's customers and Vendor hereby assigns all of its rights under such warranties to Buyer.

b. Limited Warranties. However, any limitation on remedy set forth in such written warranty policy and any inconsistencies in such written limited warranty with Section 5.a. above shall not apply between Vendor and Buyer, and Vendor agrees that the provisions of this Purchase Order shall apply. Vendor also agrees that if any Products or Services prove to be in violation of any warranty made by Vendor in its' written limited warranty policy or as set forth in Section 5.a. above, Vendor agrees to refund to Buyer the amounts paid by Buyer for the Products or Services and to reimburse Buyer for all other reasonable costs incurred by Buyer as a result of Vendor's breach of warranty or, if requested by Buyer, Vendor shall replace or correct the Products or Services as set forth in Section 4 above. 6. Default and Remedies.

a. Events of Default. Vendor shall be deemed to be in default if it breaches any of its representations and warranties in, or the terms and conditions of, this Purchase Order, fails to timely perform any of its obligations hereunder (including, without limitation, late delivery of Products or Services), becomes insolvent, has a petition in bankruptcy or other insolvency proceeding filed by or against Vendor under any state or federal law, or if Vendor performs or fails to perform any other act, whether pursuant to this Purchase Order, another agreement, or otherwise, which gives Buyer reasonable grounds to feel insecure with respect to Vendor's future performance hereunder.

Buyer agrees to notify Vendor in writing of any such Claim promptly after learning of the same and to reasonably assist and cooperate in the defense or settlement of such Claim at Vendor's sole expense. Vendor's indemnification and hold harmless obligations set forth above shall apply to each recall of any Product, whether voluntary or involuntary, as requested or required by any governmental agency and to the expenses incurred by Buyer to assure compliance with such recall or any other federal, state or local laws, statutes or regulations. In the event of a recall of a Product, Vendor shall, subject to Buyer's request and approval and at
