Comments:

No Inkjet - entire job will comail.
Customer directed comail at LSC. I do not have full distribution instructions from the client, expected by 2.29. LSC will supply specific skid flags at that time that will need to be affixed to each skid based on where they will be going.
For the bulk version - this needs to come back to Nahan. 2.153 pieces are being hand inserted for USPS priority mail.
