What is Added Security®?

Added Security is the only mechanical breakdown coverage backed by Subaru of America, Inc. Because almost every Subaru includes advanced, complex systems such as EyeSight® Driver Assist Technology, it’s important to consider our Gold Plus Plan, which covers all of the intricate components that can be very expensive to replace.

With all Added Security plans, if a covered component breaks, our certified Subaru technicians will fix it using only new or remanufactured Genuine Subaru Parts. Unlike third-party plans, Added Security also covers wear and tear of covered components, consequential damage to other components, struts, constant-velocity joints and many more parts. Plus, all Subaru Certified Pre-Owned vehicles come with our Powertrain Coverage Plan, which can be upgraded to the Gold Plus Plan for up to 10 years.¹

Added Security provides peace of mind that you’re still protected after the warranty expires.

There are two main plans:

Classic Plan: Stated coverage for most major components.

Gold Plus Plan: Covers everything but a small list of maintenance items and body trim. See the agreement or application for details.

Plans include:

Roadside Assistance

Services such as towing, jumpstarts and flat tire changes are included in some plans. See the agreement/application for details.

Towing Allowance

All plans provide an allowance if you need a tow due to a covered failure.

Rental Car Allowance

All plans provide an allowance for up to five days if your Subaru needs to be kept in the shop overnight for a covered repair.

The Gold Plus Plan also includes: Additional Services

Trip Interruption Allowance

The Gold Plus Plan provides coverage of up to \$500 (per occurrence) toward your hotel and meals if you break down. While most third-party plans require the breakdown to be more than 100 miles from home, Gold Plus Plans cover you starting at 50 miles (or more) from home.

Maintenance Plans

You can lock in the cost of regularly scheduled maintenance by including one of our Maintenance Plans when you purchase your Subaru. Simply select the plan that aligns with your vehicle’s recommended maintenance schedule. Also, every new-car Added Security Maintenance Plan includes a coupon worth \$500 towards the purchase of your next new Subaru.²

¹ From vehicle’s original warranty start date. ² Excluding promotional plans and Anytime Maintenance plans.

Other Products

Subaru Equity Shield
Optimum Vehicle Protection (OVP)*

These additional protections can be purchased separately:

- Tire and Wheel Protection
- Windshield Protection
- Dent and Ding Protection
- Key Fob Protection

*See program details for further information, exclusions and state availability.

Gold Plus Coverage*

Our widest-ranging plan includes **all Classic and Powertrain coverage, plus virtually every other part of your Subaru**—even the components of its most sophisticated technologies.

Coverage includes:

- EyeSight Driver Assist Technology¹
- Blind-Spot Detection²
- Rear Cross-Traffic Alert²
- Reverse Automatic Braking³
- DriverFocus® Distraction Mitigation System⁴
- STARLINK™ Multimedia
- STARLINK™ Safety and Security⁵

Coverage also includes:

Air Bypass Valve
Air Flow Meter
Timing Chain Tensioner
Timing Chain Guide
Front Engine Mounting Bracket
Fuel Injection System, including Injectors
Intake Manifold
Intercooler and Duct
Turbocharger Housing
Turbo Inlet Elbow
Wastegate Controller
DCCD Center Differential
DCCD Manual Switch, Control Dial, Relay and Control Module
Steering Angle Sensor
Roll Connector
Double Offset Joints
Rear Differential Assembly and internal parts
Ambient Sensor
Coolant Crossover and Pipe
Coolant Heater Pipe
Engine Fans
Engine Oil Cooler Lines and Mounting Bolt
Fan Control Amplifier
Engine Temperature Sensor
Heater Core Inlet/Outlet Pipe
Idle Pulley
In-Vehicle Sensor
Radiator Fan Control Unit
Radiator Reserve Tank and Bracket
Sun Load Sensor
Thermostat and Thermostat Housing
Throttle Body Coolant Pipe
Turbo Oil Delivery and Return Pipes
Turbo Oil Scavenge Pump
Water Bypass Pipe
Water Pump Pulley
Air Cleaner Housing
Air Intake Resonator and Duct
Air Supply System
Crankcase Vent Pipe
EGR Pipe and Heat Shield
EGR Modulator Valve and Manifold
EGR Cooler
Electronic Throttle Body Assembly
Fuel Evaporative Pipe and Clamp
Fuel Chamber, Damper and Cut Valve

Fuel Filler Hose, Clamp, Cap and Pipe Fuel Lines
Fuel Tank
Vent Cover, Hose and Pipe
Rollover Valve
Two-Way Switch and Valve
Turbo Air Bypass Valve
Vapor Separator
Vacuum Pipe Assembly
Rear Cooling Unit Blower Motor
Receiver/Dryer
Accelerator Switch
Accelerator Pedal Return Spring Switch
Accelerator Pedal, Lever, Clip and Bracket
Auto Transmission Oil Cooler
Clutch Release
Clutch Fork Boot and Return Spring
Clutch Operating Cylinder
Clutch Hydraulic Line and Gasket
Clutch Master Cylinder and Connecting Link
Clutch Pedal, Washer and Bushing
Differential Dip Stick
Speed Sensor
Inhibitor Switch
Paddle Shifter
Key Lock Solenoid and Release Lever
Oil Temperature Switch
Park Switch
Pilot Bearing
Selector Cable, Linkage, Bushing and Clip
Selector Cable Pin and Bushing
Shift Lock Control Unit, Lever and Solenoid
Stop Light Switch
Transmission Revolution Sensor
Connecting Link
Crossmember Bushing
Front Strut Mount, Cover and Spring
Front Crossmember Support and Bracket
Hub Bearing Unit
Hub Bolt
Blower Motor Resistor
Blower Motor Transistor
Brake Fluid Indicator Switch
Cam Angle Sensor

Circuit Board
Clutch Switch
Crank Angle Sensor
Dash Warning Box
Electric Parking Brake Actuator
Duty Solenoid
ECU Unit
EGR Temperature Sensor
Cruise Control Electronic Module
Power Rear Gate Control Module
Power Rear Gate Drive Motor
Power Rear Gate Auto Closer
Fuse Box
Fuse Joint Box
GPS Antenna
Hand/Foot Brake Switch
Headlamp Adjuster Switch
Headlamp Adjuster Motor
Headlight Illumination Sensor
Auto Headlight Leveler CM
Heater Blower Fresh Air Actuator
Heater Blower Motor
Rear Heater Blower
Heater Mode Control Unit and Actuator
Ignition Key Light
Inner Lap Belt Switch
Intake Air Temp Sensor
Immobilizer Antenna and Transponder
Key/Seatbelt Warning Chime
Manifold Absolute Pressure Sensor
Manual Transmission Neutral Switch
Knock Sensor

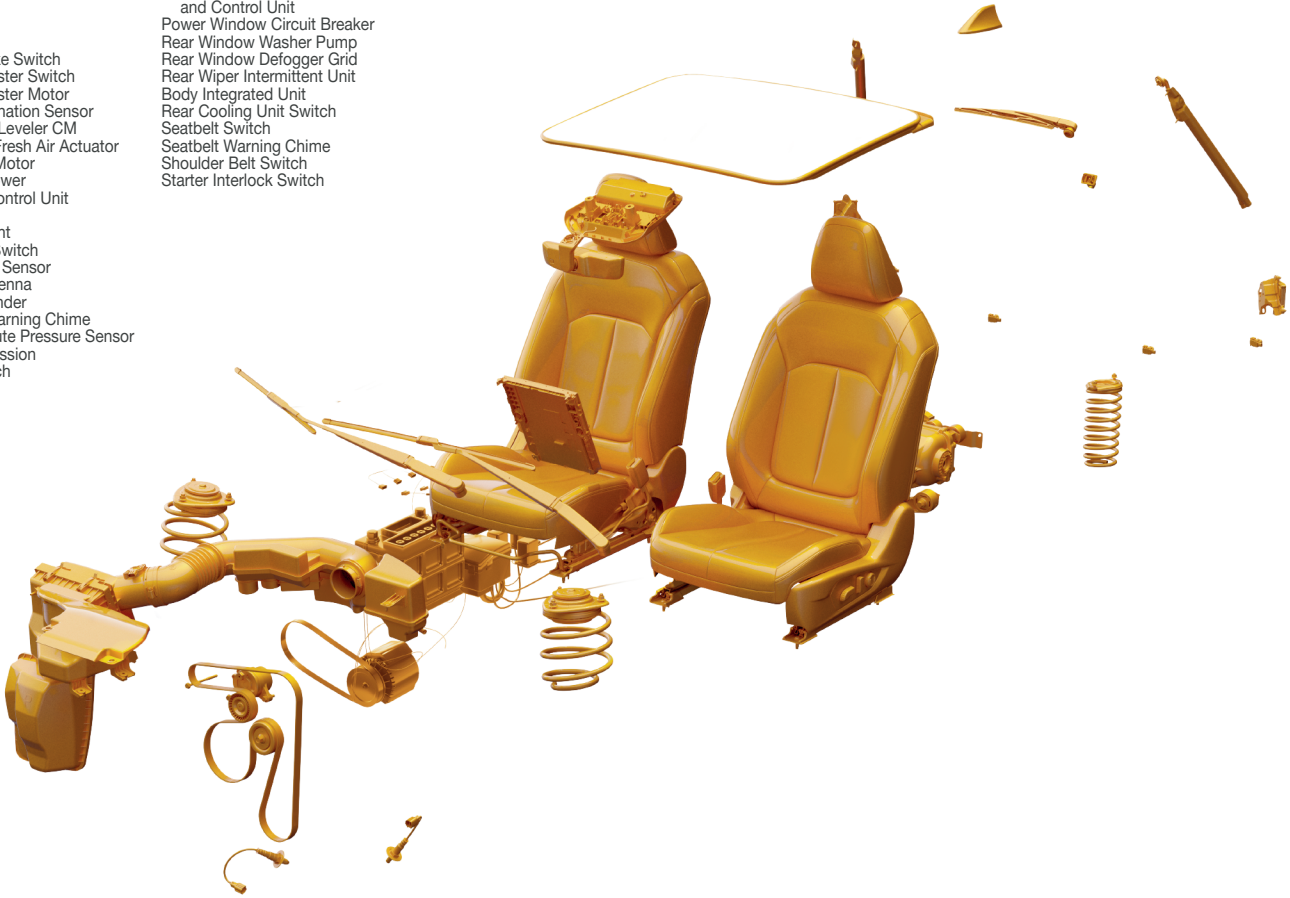

Multifunction Display
Navigation Display
Navigation Unit and Bracket
Outside Temp. Sensor
Oxygen Sensor
Power Door Locks
Power Seat Limit Switch
Power Seat Linkage
Power Seat Reclining Motor
Power Seat Tilt Motors
Power Seat Slide Rail Motor
Power Sunroof Micro Switch and Control Unit
Power Window Circuit Breaker
Rear Window Washer Pump
Rear Window Defogger Grid
Rear Wiper Intermittent Unit
Body Integrated Unit
Rear Cooling Unit Switch
Seatbelt Switch
Seatbelt Warning Chime
Shoulder Belt Switch
Starter Interlock Switch

Trunk Light Switch
Turbo Air Temperature Sensor
Turbo Boost Sensor
Voltage Drop Resistor
Warning Unit Display
Wastegate Control Valve
Window Regulators
Center Console Latch
Dash Speakers
Front Seatbelt Set
Radio
Qi® Charging Pad®

Front Seat Lift Frame and Side Rails
Glove Box Latch and Striker
Keyless Entry Transmitter
Rear Shelf Speakers
Security System Control and Receiver Modules
Sunroof Track, Cable and Guide

Third-Row Seatbelt Set
Third-Row Seat Back Frame and Hinge
Tire Pressure Monitoring System
Transmitter and Control Module
Valve Body

And many more components

*Added Security Gold Plus does not cover some components, including maintenance items, glass, brake pads, windshield wiper blades, hoses, belts, batteries and more. Please see your Subaru retailer for specific component coverage details.

Subaru Equity Shield
Optimum Vehicle
Protection (OVP)*

TIRE AND WHEEL PROTECTION

Coverage for tire repair or replacement or wheel replacement due to covered road hazard

WINDSHIELD PROTECTION

Covers Windshield Repairs (cracks, chips, bullseyes) under 6 inches long

DENT AND DING PROTECTION

Covers Paintless Dent Repair (and hail damage up to \$1,000 of insurance deductible)

All OVP products have: unlimited claims, zero deductible and no aggregate limits.
*See program details for further information, exclusions and state availability.

And many more components

*Added Security Gold Plus does not cover some components, including maintenance items, brake pads, windshield wiper blades, hoses, belts, batteries and more. Please see your Subaru retailer for specific component coverage details.

1 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. See your Owner's Manual for complete details on system operations and limitations. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 3 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your Owner's Manual for complete details on system operation and limitations. 4 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See your Owner's Manual for complete details on system and limitations. 5 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your Subaru retailer for details. 6 Qi® wireless charging may not be compatible with all mobile devices. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns.

EyeSight and Subaru are registered trademarks of Subaru Corporation. Added Security and DriverFocus are registered trademarks of Subaru of America, Inc. STARLINK is a trademark of Subaru Corporation. Forest Stewardship Council®, FSC® and the FSC® checkmark-and-tree logo are registered trademarks of Forest Stewardship Council AC. Qi® is a registered trademark of Wireless Power Consortium, Inc.
